

Job Description

Work Experience - Designer

Details	
Position ID	1003
Department	Marketing
Start Date	Monday 7 th Dec 2020
Contract Type	Work experience (2 weeks)
Reporting to	Marketing Manager

Company Description:

Approach Services vision is to shape the way we lead change around the world.

Our mission is to help organisations build leadership that recovers fast from challenges and thrives through change by providing consulting, training and toolkits.

We are a small Perth-based company with a diverse team. Our culture is supportive, flexible with a high level of accountability. We value growth and development. Encourage everybody to contribute and communicate openly. We care about our employees, clients and community.

For more information, please visit our website: <https://www.approach-services.com/>.

Work experience program:

Are you a student or recent graduate interested in building real-world graphic design experience?

We're on the lookout for a talented junior graphic designer looking to grow their knowledge and skills across a variety of mini marketing projects. As part of the Approach Services' marketing team, you'll help us to bring our brand to life through animations and infographics. You'll bring a passion for learning and trying new things.

As part of our approachable team you will be able to work with us remotely or at our office in the Perth CBD. Working in a virtual team will require you to organise and manage your work experience activities autonomously whilst communicating effectively and regularly with your team. You will be able to learn contemporary ways of collaborating.

Cultural fit is of upmost importance for us. Approach Services prides itself in delivering evidence-based and practical advice, growing and developing our staff and caring deeply for our team and work-life balance. You will be able to learn professional skills including time management and prioritisation.

Our work experience program takes place over a designated period of two weeks in December. Work experience normally takes place between 10 AM and 3 PM and can only be conducted on Mondays to Thursdays. Students are required to be fully engaged in the work experience activities during those times and days.

Participation is free of charge to all students and there will be no payment made to students to participate.

Key Responsibilities

- ▲ Developing infographics, videos and animations for social media and our website.

Requirements:

- ▲ A keen eye for aesthetics and details
- ▲ Ideally a tool geek! Familiarity with the following applications is advantageous:
